

Rules of the Fat Bastards Golf Trip

June 7th, 2022 - VP Decree

Attendance

Players must play golf on all three days

FBC Champion's Prize

A player who wins the FBC receives the winners tankard. All tournament players will fill the tankard for the Champion on the Sunday night. The drinks are of the Champion's choice.

Ziggy

If a player intends to leave the trip early he will be referred to as "Ziggy" for the next calendar year. Each player must still be in the tournament city on the Monday morning of the trip.

Care of the trophy

The FBC trophy ("Budda") is the most prized possession of the FBGC. If the trophy is smashed there will be a fine of \$500 and the trophy must be replaced.

Game On

When a player hits their tee shot and the ball stays on the green the player furthest from the pin has to buy a round of drinks specified by the playing group. Game On is activated by a player landing their ball on the green, if 1 player is on the green that player is exempt from payment even if he is the furthest from the pin. If more than one player is on the green the player furthest from the pin (no matter if the ball is on the green or off the green) has to buy.

- If no one lands on the par 3 then the hole jackpots.
- If there are no Game On's during the round then the player whose ball is furthest from the pin, after the 2nd shot, on the last par 3 has to buy 4 rounds of drinks for the playing group. Any dispute that needs to be resolved should be brought to the attention of the President, Vice President and Secretary.
- 7.3 - Any golfer whose handicap is 36+ can play a second ball if they lose a game on. The first ball they hit is the ball that is in play. If they have lost the Game On a second ball can be played for game on purposes only. This can only happen 1 hole per round.

Payment must be made after the round at the clubhouse.

Handicaps

- Once a player has tasted the sweet victory of success in the FBC and experienced the worst hangover in history, their handicap for the following event will be reduced by 4 strokes
- (Mateship Rule) On the morning of the FBC the President, VP, Secretary, Treasurer & Handicapper will meet to discuss any acts of mateship that may have occurred that may impact upon the chances of a player having an unfair advantage. If there are any said acts they will be put to a vote and a handicapping penalty awarded.
